## RED WING

Red Wing Shoe Company is a family-owned business that was founded in Red Wing, Minnesota in 1905. Since its inception, the milestones have been many, including: The debut of the Gloria, our original women's boot, in 1926, the creation of the 877 Moc Toe in 1952, and the acquisition of S.B. Foot Tanning Company in 1987. Red Wing Heritage continues to build on this historic legacy with lifestyle footwear that is crafted with pride and purpose. Today Red Wing for Business stands with you to help protect and equip your workers on the job so they can go home safe and sound at the end of the day.

A safety footwear program built for you: Regardless of your business size or industry, we'll help create an ideal footwear program, focused on safety, comfort and compliance for workers and streamlined administration for you. We've got safety covered from head to toe: Let us help build your ideal PPE solution - everything from footwear and flame-resistant workwear to gloves, safety glasses and more - serviced through a global network.

Designed by USA

Reduce Fire and Explosion Hazards NGP Spark Arresters remove nearly all dangerous sparks from the exhaust gas. These Spark Arresting Silencers also provide industrial, residential and critical noise levels. Fire causing sparks are removed through centrifugal force within the spark arrester.

The hot carbon particles are safely trapped within the arrester for later removal. Nelson Global Products, Inc.'s Spark Arrestors are approved under USDA forest service standard 5100-1a.

Walker is a "one-stop" convenience, offering complete engine-to tailpipe coverage of replacement emissions control systems. At Nelson Global Products, Inc. you can trust that you are receiving the best! We have established excellent relationships with our trusted manufacturers, and we are able to provide you quickly and efficiently.
